

COVID SECURITY MEASURES UPDATED DECEMBER 2020 in line with Tier 2 Government guidelines @ the Wro

It is essential that our guests have an enjoyable but above all safe experience.

We ask you all to familiarise yourselves with our updated 'house rules':

ENTRY into the Wro is via the front main entrance with EXIT via the side Loft door, both are clearly signposted for your convenience.

You will be greeted at the entrance station by a member of our team who will undertake a non-contact infra-red temperature check. If a temperature reading is found 38 degrees or above, unfortunately admission will not be permitted for your own safety and that of others. If no one is immediately available, please wait at the entrance 'station'.

Inside or on the deck, guests can sit in groups of no more than six **provided they are from the same household/support bubble.**

Please do not move the tables and chairs as these are spaced for social distancing.

All guests are asked to sanitise their hands on arrival and after using the bathrooms and the law now requires guests to wear a mask whilst moving to their table. Once seated, masks may be removed. Table service will then be provided – please note measures in our area include the requirement that alcohol can only be served with a 'substantial meal'.

Our team will be wearing visors or masks at all times.

A member of our team will have sanitised your table and chairs before you are seated. The single use menu is on the rear of this sheet. Please complete the Track & Trace information overleaf. A contact phone number / email address is required for the lead of each group.

Contactless card payments are preferred. No orders will be taken after 10pm and the premises will close at 11pm.

Please respect the safety and well being of our team and guests during these unprecedented times.
